## Investment Account

You have the option to invest in mutual funds. Your investment application can be completed through the online portal. Visit [myCigna.com](http://myCigna.com).

**Minimum Balance:** Once your HSA Bank cash account balance reaches \$1,000, you are eligible to enroll in an investment account. Only HSA funds above \$1,000 in your HSA Bank cash account can be transferred to your investment account.

Investment accounts are not FDIC insured and they are not bank guaranteed. Investment accounts are not a deposit account or an obligation of HSA Bank, and they may lose value. They are not guaranteed by any federal government agency.

## Minimum Account Balance and How We Determine the Interest Rate

There is no minimum account balance required to open a health savings account or to obtain the annual percentage yield disclosed. We use the daily balance method to calculate the interest on your account. The daily balance method applies a daily periodic rate to the principal in the account each day. Interest is compounded monthly and credited monthly. Interest begins to accrue no later than the business day that we receive credit for the deposit of non-cash items (for example, checks). The interest rate and annual percentage yield (APY) is based on the balance in your account. If you close your account, interest that has accrued but has not yet posted will not be paid. The interest rate and annual percentage yield available on your account is as follows, effective as of May 1, 2020.

### Daily Balance

\$0.01 or more

### Interest Rate

0.10%

### APY

0.10%

This interest rate is subject to change at our discretion at any time. Fees may reduce your earnings.

<sup>1</sup> You may incur a lesser fee than that disclosed to you when your account has insufficient funds to cover the entire amount of the fee.

<sup>2</sup> If your employment status changes, your HSA Service Fee and HSA Investment Service Fee may change.

<sup>3</sup> Distributions from your Health Savings Account presented in the form of checks, ACH withdrawals or other electronic means will be returned unpaid if there are insufficient funds in your account to cover the amount of the withdrawal, and you will be charged a returned item fee.
